**I. Additional Specifications**

- a. All glass containers must be empty.
- b. All tin cans, bi-metal cans, and aluminum cans must be empty.
- c. All plastic containers must be empty.
- d. All Fiber must be dry and free of food debris and other contaminating material.
- e. Tissues, paper towels or other paper that has been in contact with food is not acceptable.

**II. Recyclables may contain up to 10% Unacceptable Materials, provided however, Recyclables may not:**

- a. Materially impair the strength or the durability of the WM's structures or equipment;
- b. Create flammable or explosive conditions in WM's facilities;
- c. Contain any type of batteries;
- d. Contain chemical or other properties which are deleterious or capable of causing material damage to any part of WM's property, its personnel or the public; or,
- e. Contain Excluded Waste as defined in the Agreement.

- III. WM and the Village shall develop and implement an education and awareness program so that the Village's residents are forewarned about the "tag and educate" program and so that the Village's residents receive information on how to properly recycle. If WM determines, with the consent of the Village, that a recycling cart "tag and educate" program is necessary, then WM and the Village shall determine the specifics of how the program will be implemented. Key program elements to agree on are: 1) what procedures will be followed when a cart is determined to be contaminated, and 2) what are the ultimate steps to be taken for customers who continue to contaminate the cart. WM's cost for the education and awareness program shall be capped at \$500.00 annually. In return for WM's responsibility for the costs of the program, the Village shall require that WM prepare and distribute a brochure to its residents only once during the next five years, beginning in 2019, unless significant program changes are made during the next five-year period.
- IV. WM may refuse to service a recycling cart if a resident does not properly segregate recyclable materials. At the time of refusal to provide service, WM shall issue a notice to the resident that contains instructions for the proper segregation of Recyclable Materials, and the specific violation(s) made by the resident. If a resident receives two such notices within a 30-day period, WM may exercise its right to not provide recycling service for a period of 30 days. This 30-day suspension shall be made in writing to the resident with a copy to the Village. Under no circumstances shall WM be able to charge residents an additional fee for not properly segregating recyclables.
- V. Notwithstanding anything in the Agreement to the contrary, with the prior written consent of the Village which shall not be unreasonably withheld, WM may discontinue acceptance of any category of recyclable materials as a result of market conditions related to such materials. If the Village consents to discontinuing acceptance of a recyclable material, WM shall provide written notice to the residents
