

ILCSWMA CONFERENCE

Celebrating **30**
YEARS

STARVED ROCK STATE PARK

NOVEMBER 3RD & 4TH

FEATURING KEYNOTE SPEAKER:

Jen Walling has served as the Executive Director for the Illinois Environmental Council since January of 2011, where she oversees the strategic direction and management of the organization and lobbies decision makers on environmental issues. Jen has drafted, negotiated, lobbied and passed hundreds of bills in Springfield while working to build the power, expertise and relationships of the entire environmental community. Jen holds a bachelor's and a master's degree in Natural Resources and Environmental Sciences from the University of Illinois at Urbana-Champaign. She also received a juris doctorate from the University of Illinois College of Law and is an attorney licensed to practice law in Illinois.

Jen will review recently enacted State environmental legislation and provide her vision for what may occur in the next legislative sessions. She will focus on the success and results of the Clean Energy Jobs Act and reflect on other topics related to Environmental Justice and sound waste management control.
